

Position Announcement

Executive Director/Program Administrator

The Wabash County Soil & Water Conservation District is seeking to hire a full-time Executive Director/Program Administrator to assist the District Board of Supervisors in carrying out the district's multi-faceted program. The qualified applicant would be expected to work independently in completing a variety of program development, education, technical and administrative tasks. The position requires skills in communications, public speaking, program development, grant writing/administration, and financial management. The successful applicant also needs some knowledge and/or working experience with agriculture and natural resources management. College degree strongly preferred but will consider experience in related position.

To apply: Applications are available at the SWCD office or send resume with cover letter expressing your interest by close of business on Friday May 21, 2021 to:

Wabash County Soil & Water Conservation District
599 Bryan Avenue
Wabash, IN 46992
